Dear Friends:

Please accept my warmest greetings as you gather to celebrate 20 years of service to the homeless of Los Angeles. I hope this event is an enjoyable and memorable occasion for all in attendance.

For the past 20 years, Homeless Not Toothless has donated more than \$2 million worth of service for dental care. The tireless volunteer efforts of your members, cover expenses and work with participating labs to help improve the health of the homeless of Los Angeles have truly made a difference. I commend you for your outstanding accomplishments and for the invaluable contribution you have made to the community.

Once again, congratulations to the Homeless Not Toothless for your tremendous achievements, and best wishes for continued success in all your future endeavors.

Sincerely,

Barbara Boxer  
United States Senator
