Dear Friends:

It gives me great pleasure to extend my warmest greetings to all who have gathered for Homeless Not Toothless' 20<sup>th</sup> Anniversary.

Since its inception, Homeless Not Toothless has devoted itself to providing homeless and under-served individuals with free dental services. The dentists and staff who work with the homeless patients do so without any financial compensation, and I commend their unwavering generosity to helping these individuals within the community. Homeless Not Toothless' outstanding efforts make it an important resource for the Los Angeles area, and there is no doubt it will continue to improve the lives of countless for years to come.

I would also like to take this occasion to recognize the exceptional contributions of Dr. Jay Grossman, Founder of Homeless Not Toothless. His incredible dedication to improving the dental health of individuals from all backgrounds is truly praiseworthy.

Again, congratulations! As your United States Senator representing the State of California, I applaud Homeless Not Toothless and its members for their remarkable accomplishments. Please accept my best wishes for a most memorable event.

With warmest personal regards.

Sincerely yours,
