*Councilman Greig Smith  
Twelfth District*

Dear Friends:

It gives me great pleasure to congratulate Dr. Jay Grossman and "Homeless Not Toothless" on its 20<sup>th</sup> anniversary.

"Homeless Not Toothless" has provided over \$2,000,000 in services to benefit homeless individuals in Los Angeles. Over 36 dental offices participate, donating valuable time, expertise and laboratory expenses.

This effort helps provide something that most of us take for granted, but which is a luxury for homeless individuals - dental health. People's smiles are a strong representation of who they are, and for many homeless people, having very poor dental condition can be yet another de-humanizing factor.

I applaud your work on behalf of homeless individuals in Los Angeles. Thank you, and keep up the good work!

Sincerely,

A handwritten signature in black ink that reads "Greig Smith". The signature is written in a cursive, flowing style with a large, sweeping flourish at the end of the name.
