Dear Friends:

It is with great pleasure that I submit my support for Homeless Not Toothless (HNT) Non-Profit Organization.

For over 20 years, Homeless Not Toothless has served the greater Los Angeles area by providing dental care services for veterans, foster children and low income individuals.

I applaud Founder and CEO, Dr. Jay Grossman for what he has done with the Homeless Not Toothless Organization. Through his achievements, leadership, and dedication to the program, the HNT has provided over \$2 million dollars in free dental care to our Veterans.

On behalf of the 3.8 million residents of the City of Los Angeles, thank you to HNT and Dr. Jay Grossman for his continued dedication to the community, our children and our service members.

Best Regards.

Sincerely,

A handwritten signature in blue ink, appearing to read 'M. Englander'.
